Online banking privacy

Have you shared your online banking username and password with a spouse or family member?

With this upgrade, you will be able to view all of your accounts with one single mobile & online banking login.

Anyone you've shared this information with will be able to see your entire banking relationship with Centris.

If you wish to make changes to what can be viewed, please visit **centrisfcu.org/upgrade** to learn how to change account access for those who may still need it.

Changes to statements

All statements and notices will have a new, improved layout. Quarterly account statements planned for October will be separated into two parts. The first will include transactions from July and August. The second will include transactions from September.

New names for accounts

We will be changing the names of some account types to be more intuitive for our members:

Old Name	New Name
Share Accounts	Savings Accounts
Draft Accounts	Checking Accounts
Account Suffix	Sub-Account Name
-0	Name of account (e.g. Savings)
-9	Name of checking (e.g. Totally Free Checking)
